WHAT IS YOUTH ALPHA?

Looking for answers?

The **Youth Alpha** course is an opportunity for anyone age 14 to 18, from any religious denomination or non-religious background, to explore the Christian faith in a relaxed, non-threatening way over ten thought-provoking sessions.

Basically, if you're interested in getting some of life's big questions answered, and want to work out what you believe for yourself, then come along.

Youth Alpha starts with an intro night event, live Christian Rock music, and an overview of the program so you can decide if **Youth Alpha** is right for you.

The program consists of 10 weekly sessions, a one day retreat, and a celebration event at the end of the course with more live music, food and fun for you, your family, and friends!

So why not come check it out?

WHY YOUTH ALPHA?

It's low key, friendly and fun. You get to ask any questions you want and chat through the issues in a place where your views are respected.

You're not on your own either...family and friends are welcome to attend! You will meet other teens who are interested in exploring the meaning of life...just like you.

More than 11 million people around the world have done the **Alpha** course in churches, homes, schools, youth groups, universities and even prisons.

AND.....The good news is that it's FREE!

The course itself won't cost you a penny, although you may be asked to make a small good will offering donation for the bands and food, if you can. But if you are unable to donate, we don't want that to put you off - just come along anyway.
